PROFIT. REPEAT.

Generate repeated profits with the industry's most-favored female.

Independent research from a decade of data collection showed Red Angus-sired heifers commanded $66/head more than females of other breed types. That's nearly $5,300 on a single load of replacement heifers to boost profits on your operation.

Visit RedAngus.org for details on the industry's most-favored female.

The Swain Cattle Co. Complete Dispersal offers slick haired, southern acclimated genetics from some of the top Red Angus genetics in the world. The Swains made their first investment into the Red Angus breed at the 2013 R.A. Brown Ranch Legacy Sale where 10 of these foundation cows (and 17 daughters) are still in the herd and offered today. Other top investments and cows in this offering include females from the Whitley and Yance (JYJ) herds of Alabama and the BOLA and Ballinger (CRSB) herds of Texas. Only in a Complete Dispersal Auction do you get the opportunity to select from the very top of all genetics in the herd and buy the very best of the program. Ask any seasoned cattlemen today what two of the most important traits in their cow herd is and 95% will say fertility and disposition. The Swain Cattle Company herd is extremely quiet with calm dispositions and high fertility. Whether you are starting a new herd or adding to an existing registered Red Angus program, the Swain Complete Dispersal is an auction you won't want to miss. The cows are bred to calve soon after the auction for a quick return on your investment.

The cattle videos will be available for viewing prior to the auction on DVAuction. Be sure and check them out.

We look forward to seeing you in Myakka, Florida on October 22nd and 23rd. The cattle will be on display and ready for your evaluation. If you cannot attend, please sign up for a bidding number and bid online live during the sale on DVAuction.com.

Best Regards,
Kyle Gilchrist

Brown Ms Mission Stmt X7666 has certainly made her impact in the Swain program coming from the R.A. Brown Ranch Legacy Sale of 2013. She posts a steady 103 MPPA and a a 104 AWR and 101 AYR on her past progeny and is the dam to Lot 36. **Bred to Myakka Oracle 1807 (#3901603) – Due 12/23/21**

We are now in the middle of the foundation cows of the Swain herd. All of the Brown cows were major investments from the R.A. Brown Legacy Sale Complete Dispersal on October 10, 2013. The Legacy Sale was a history making event, with the first 25 registered Red Angus Females averaging $15,380 and the next 25 averaging $11,320. (First 50 Lots of registered Red Angus Females sold for $667,500 to average $13,350)! During my auctioneer career, I have been fortunate to sell some of the greatest Red Angus auctions in the past 4 decades but 4 auctions standout in my mind as the best this breed has ever witnessed – 1). R.A. Brown Ranch Legacy Sale (Texas, 2013) 2). DAMAR Red Angus Last Dance Sale (Wisconsin, 2017) 3). 100th NWSS Mile High Classic Red Angus Sale (Denver, Colorado 2006). 4). History In the Making Sale (Kerrville, Texas, 2006).

October 23, 2021 is your chance at investing in some of the greatest Red Angus genetics that the breed has ever offered. Most of the cattle selling in this auction track back to the major investments that Swain Cattle Company had the foresight and desire to put into their pastures. Daughters, granddaughters and even the foundation cows themselves will sell in this Complete Dispersal of the Swain Cattle Company Red Angus herd. If you cannot attend in person, get setup to bid before on the DVAuction website. If you are a serious Red Angus breeder, you owe it to yourself to tune into this exceptional offering of foundation blood cattle!

Open Heifers...

Lots 55 through 64 are an outstanding set of open heifers ready to go on into the world and make a mark in their new programs. One of the hardest things to find in the Red Angus world are true southern bred and southern adapted cattle. The Swain Cattle Company herd is one of the farthest South Red Angus herds in the United States, offering extreme heat tolerance and highly productive genetics for folks that reside in the heat and humidity that equals south Florida. Invest with fervor – these open heifers will prove to be outstanding momma cows with high fertility and motherability.

Terms and Conditions

TERMS: Terms of the sale are cash, check, or other terms agreed to in writing between seller, buyer, and sale manager payable immediately upon conclusion of the sale before animals will be moved. Sale Manager reserves the right to require a certified check as settlement before releasing any cattle.

PURCHASER'S RISK: All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

BIDDING: Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

CERTIFICATE OF REGISTRY: A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

ANNOUNCEMENTS: Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

HEALTH: All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for international shipment should be made with the sale manager prior to the auction. All efforts for the exportation of cattle can be arranged through the sale manager.

BREEDING GUARANTEE: Because this is a Complete Dispersal Auction, the cattle sell "as is/where is" with no further guarantee.

LIABILITIES: All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility, or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the Sale Manager from pedigrees and information supplied by sources deemed reliable, however, the Sale Manager will in no way guarantee the pedigree, percentages of the animals selling, or data included in this catalog. Any exceptions taken are between the buyer and the seller.

CONTRACT: The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

PHONE BIDS: Telephone bids will be taken by the sale manager. Kyle Gilchrist's cell number is (641) 919-1077.

RED ANGUS MARKETING PROGRAMS

How to Enroll in FCCP and AA

1. The producer contacts the Red Angus Association of America at **(940) 226-4762** and answers a short supplier enrollment questionnaire over the phone. RAAA staff will ask general management, animal identification and breeding questions. If needed, the producer may be asked to supply additional documentation on breeding such as semen receipt, lease agreements or information on purchased females.
2. After all documentation is recorded, staff will ship the tags directly to the producer who must tag the calves before they leave the ranch of origin – birth, branding, preconditioning, weaning or before loading on the semi.
3. The producer will receive a customer enrollment agreement to fill out and return to RAAA with a copy of their calving records.
4. Staff will issue the USDA-approved Certificate of Compliance upon receiving the customer enrollment agreement and calving record.
