THE RED ANGUS STORY OF DAMAR FARMS

In 1997, Dr. Dave "Doc" Hehli, at the urging of his son Todd who was in the Limousin business, made his initial investment in Red Angus cattle at the Beckton Stock Farms operation. At the time, Doc did not realize there were different classifications of Red Angus cattle and out of the three potloads of females he bought that day, over 2/3 were 1B percentage animals. The cattle were good and Doc decided he really liked Red Angus as a breed.

Dr. Dave "Doc" & Mary Hehli

The next year, Doc attended the Bootjack Dispersal in October 1998 and purchased four potloads of 1A 100% cattle from one of the most prestigious Red Angus programs in the country. At the time, he didn't realize what a powerful set of females he had purchased until five or six years later when he started to venture out and promote Damar Farms and listened to the respect cattlemen had for his genetics based off of the Beckton and Bootjack operations.

His other purchases early on included 11 head from the Dunphy's Shamrock Nook Red Angus herd of Wisconsin and 17 head from the Messmer Dispersal of North Dakota. It was in the Messmer Dispersal that Doc made some phenomenal purchases including

Denise & Mitch Larson

– Doc says they implanted 600 embryos a season during the prime production years and spent in excess of \$100,000 a year in doing so.

The dedication and drive that Dr. Dave Hehli put toward the Damar Farms program offers every serious Red Angus and Simmental breeder the opportunity to buy superior genetics that were developed from the best-of-the-best from both breeds since the 1990s. Doc Hehli and Damar Farms will be missed in the future of the beef business but don't think for a minute that their genetics won't be the driving force of both the Red Angus and Simmental breeds for decades to come. Doc, thanks for your commitment and contributions over the years. You will be missed! – KG 2017

(This article was written by Kyle Gilchrist as Doc was in the Mayo Clinic at the time of catalog printing.)

RED RIGHT. NOW.

The Red Angus female is the rancher favorite for replacements that deliver real profitability.

An independent university study compared six years of Superior Livestock Auction data, revealing Red Angus-sired heifers commanded from \$5 to \$9/cwt. more than females of all other breed types.

Learn more about the value of Red Angus-sired replacement females at redangus.org.

Ranch Tested. Rancher Trusted.

SALE INFORMATION

SALE ORDER:

Cattle will sell in catalog order. Lots 1 – 609 sell Saturday; Lots 610 – 1024 on Sunday.

DIRECTIONS TO THE FARM:

Take Hwy 37 South of I 94 8.8 miles to Hemlock Road. Turn right 2.2 miles, turn left on Cooncreek road or Albany J. 2.2 miles to the farm. If you are coming from any other direction go to Mondovi and turn onto Hwy H North, 7 miles to the farm. Please note, the locals say, "Do not to use your GPS. It will get you lost."

POST-SALE CARE OF CATTLE:

Many of the cows selling in this auction are either due to calve right around the sale date or have very small newborn calves. Damar Farms will keep cows with calves too small to transport for up to 3 weeks following the auction. These cattle will be cared for with due diligence but will be solely the risk of the buyer as soon as declared sold by the auctioneer. We highly recommend purchasing insurance on any animals left in Damar Farms care following the auction.

TRUCKING:

Andy Weber Trucking715-495-5594
Will be available at the auction. Damar Farms will help coordinate prorated trucking arrangements to make delivery at the least possible cost.

Newley Hutchison580-886-5085
Consultant and order buyer, Newley Hutchison, will also be handling prorated trucking on purchases made through him during the auction and will have trucks available with designated routes.

CATTLE REGISTRATION TRANSFERS:

All cattle selling will be transferred to the buyer following the auction by Damar Farms. Unborn calves at sale time will be eligible for registration and calves at side will be registered by Damar Farms and transferred to the buyer.

PAYMENT:

All money and payment transactions are to be made directly to Damar Farms immediately after the auction.

LOADOUT:

Cattle may be loaded out on Saturday, February 11 from 3 p.m. to 6 p.m., and all day on Sunday beginning at 9 a.m. Please plan accordingly and be at the Mondovi Farm in line by 5 p.m. if you want to load out on Saturday.

CATTLE VIEWING:

You may view the cattle the weekend prior to the auction – February 4th & 5th – or the week of the auction beginning Thursday, February 9 through Sunday morning prior to the auction. Other arrangements can be made for viewing of cattle by calling Mitch Larson at 712-225-7908.

CATTLE VIDEOS:

A video on each animal in this auction will be available on the DVAuction website beginning in early February.

DAMAR FARMS:

Manager: Mitch Larson Cell: 715-225-7908
Owners: Dr. Dave and Mary Hehli, Strum, WI

Watch & bid online for FREE at **DVAuction**
Broadcasting Real-Time Auctions

**View the Auction Live!
Bid Online... you're ringside
right at your desk!**

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

High speed internet is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

Please feel free to contact me with questions about the sale or to view the cattle for you.

Welcome to the Damar Farms Last Dance Dispersal Sale!

The 2017 Damar Farms Dispersal will be the largest female auction to ever happen in the Red Angus breed. With over 690 Red Angus females (many with either a calf at side or soon to be a cow-calf pair), this event will offer more registered Red Angus cattle than any other in the history of the breed.

When Doc called and said he was going to disperse his cattle enterprise, my first thoughts were how much of an impact he has had on the Red Angus breed. Many donor cows have originated from the Damar pastures and have gone on to influence major programs across the North American continent. As well, many junior members got their start with Damar genetics and have literally shown Dr. Dave Hehli's bulls and heifers from Reno, Nevada, to Fort Worth, Texas, to the Minnesota State Fair to the North Carolina State Fair and everywhere in between. Most importantly, the females that produced these show-winning cattle are selling in this "Last Dance" Dispersal. The impact this program has had on the industry pales in comparison to what it will have in the coming decades. As these phenomenal Red Angus cattle scatter to new owners on February 11th and 12th, a new era will dawn in the Red Angus world. For years to come, the influence that the Damar genetics offer the industry is unmeasurable.

With only 53 days' notice, we have tried to present as much information as we can in this catalog and will have more information available on a supplement prior to the sale – watch our website at www.redcows.net. We would like to thank Doc and Mary, Mitch, Denise, Margie, Karla and Tracey Koester (Cow Camp Promotions) for their dedication in getting this catalog in your hands.

The Damar Farms "Last Dance" Dispersal will be more than a Red Angus auction – it will be a social and history-making event. On Friday night there will be an open bar and cowboy social at the sale headquarters hotel, and Saturday night there will be a "Last Dance" party with Mickey Lynnes and the Thundermen band and it will be a great time to socialize and celebrate with some of the greatest cattle producers in the business.

Nowhere in recent history have you had the opportunity to purchase top-quality cattle in volumes like this event offers. February 11th and 12th should not only be on your calendar to upgrade your current Red Angus and Simmental program but to find that special donor cow to take you to the next level. With the size of this complete dispersal, there will no doubt be great buys throughout the auction.

If you cannot attend the sale, please tune in via DVAuction. The cattle have all been videoed and will be available on the DVAuction website during the month of February for your review and study. We also have five very capable consultants/buyer representatives available to look at cattle and handle your bids if you cannot make it to Eau Claire on February 11th and 12th.

We thank you for your interest in this history-making event and are available to answer any questions you may have.

We look forward to seeing you February 11th and 12th!

Mimi W085 *Cow Family*

Spring Lots: 1 - 11 • Fall Lots: 932 - 933

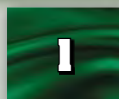

Damar Mimi W085

When you hear the name Damar Farms, most folks think of the legendary Mimi W085 cow family and some of the most competitive and influential Red Angus cattle in the breed. Damar Mimi W085 is a Mulberry daughter from the DFRA Tarmily N512 cow, and as an 8-year-old, is sound, productive and ready to continue with her elite donor status.

There are five direct daughters selling in this auction allowing you to invest with a goal of building a herd nucleus of Mimi W085 bloodlines. The power of the cow family can never be overemphasized in any program and Mimi W085 could make the cornerstone and beginning of a great Red Angus program. Some of her most notable progeny include: Damar Man Power C624, a \$17,500 bull selling to Choat Cattle Co. of Nebraska

(he is also the sire to ET calves due this spring); Damar W085 Mimi Z388, a Champion Female at both Iowa and Minnesota and a division winner at the NAILE in Louisville, Kentucky; and Damar Mimi 101W B142, the \$15,000 Mile High Classic (2015) female selling to Triangle D Farms of Bussey, Iowa for their donor program. Don't miss the opportunity of attending the Complete Dispersal Auction, Damar's "Last Dance," to select the future of your Red Angus program. We will be selling Damar Mimi W085 as Lot 1, two full sisters to Damar Man Power C624 and two full sisters to Z388 and B142 in this history-making Red Angus event!

If you want the best of the best of the Red Angus world, you must be in Eau Claire, Wisconsin, February 11 and 12, 2017!

Tarmily Cow Family

Spring Lots: 12 - 32 • Fall Lots: 934 - 942

DFRA Tarmily N512

Tarmily is the amazing dam of Mimi W085 and, as a 12-year-old, is still productive and one of the dominant cow families in the Damar program. A Make Mimi daughter from a linebred Badlands Target 836 dam, DFRA Tarmily N512 has twelve direct daughters, including three full sisters to her most famous daughter – Damar Mimi W085. Rounding out the Tarmily family are four maternal granddaughters and four ET calves due in February and March. In 2012, a Tarmily N512 x Ter-Ron Real Deal 01W daughter was the Grand Champion Female at the Red Western Classic, and sold for \$9,000 to Iron Triangle Ranch of John Day, Oregon.

Tarmily has consistently produced top maternal daughters and, no doubt, will continue to influence Red Angus herds across the North American continent with her superior phenotype and highly productive history.

Damar Mimi W085

We have advertised this Damar “Last Dance” Dispersal as selling the “factories” of some of the greatest Red Angus genetics of all time and none may be as exciting as DFRA Tarmily N512 and the Tarmily cow family.

Bonnebell *Cow Family*

Spring Lots: 33 - 57 • Fall Lots: 943 - 950

Damar N327 Bonnebell A185

The Bonnebell cow family stems from the prolific DFRA Bonnebell N327, a DFRA Rocker 425 (Lchman Copper Rob 1204D x BJR Rocker 1193-353) daughter from past growth powerhouse RHRA Wrangler 3355-42B and the legendary RD Bonnebell 5E cow bred by Paul Haugen of Bootjack Cattle Co. fame. The Bonnebell cattle are larger framed, powerful growth cattle with style and substance. Possibly the most prominent is Damar N327 Bonnebell A185, the 2015 Fort Worth Grand Champion Red Angus Female for Ty-Be and Englewood Farms of Tennessee. Her demand and value was best exhibited in the 2016 Mile High Classic where embryos sold for \$2,600 each. This Bonnebell offering highlights 12 direct daughters and five granddaughters of one of

DFRA Bonnebell N327

the most influential cows in the Damar Program. Other Bonnebell family's recent successes include Damar Ballet 101W C167, a Division Winner in the 2016 NWSS Junior Show in Denver and selling in the 2016 NAILE Sale for \$10,000 for Kip Wallace.

Oh Baby (Olivia 706P)*Cow Family*
Spring Lots: 58 - 65*Damar Trump C512*

The Damar Oh Baby cow family is the hottest in the Red Angus breed after the 2016 National Red Angus Show in Louisville, Kentucky, and the 2017 National Western Stock Show in Denver, Colorado, where Damar Trump C512, a son of Damar Oh Baby W168, was crowned Grand Champion Red Angus Bull.

The Damar "Last Dance" Dispersal Auction will be unrivaled for years to come due to the offering of genetics in this history-making event. In this auction, Trump's dam – Damar Oh Baby 168 (Lot 58) sells!

A full sister to Trump – Damar Oh Baby 161X C143 (Lot 60) sells! Two full sister to Trump's dam – Damar Oh Me Oh My W157 (Lot 59) and Damar Octavia W162 (Lot 64) sell!

You will not find an auction or offering of Red Angus genetics that will equal this event for years to come. You absolutely cannot afford to miss this auction if you are a serious Red Angus breeder on the North American continent. These genetics are what legends are made of!

Pandora Cow Family

Spring Lots: 66 – 130 • Fall Lots: 951 – 959

Messmer Pandora M186

The largest cow family to influence the Damar program is certainly the 74 animals represented by the Pandoras. This family is headlined by Messmer Pandora M186, a Leland Marias 271K x LMAN King Rob 8621 daughter and the dam to Messmer Jericho W041, an Accelerated Genetics patriarch, and Messmer Joshua 019P, a top Red Angus bull of the recent past. In fact, there are 16 direct daughters of Pandora M186, including eight full sisters to Messmer Jericho and Joshua, sired by the carcass legend – Beckton Julian GG B571 in this line-up.

The most noteworthy of the Jericho full sisters is – without question – Damar Julianna Z031, who in her

own right, is the dam to six direct daughters and 12 ET pregnancies due this spring. The second is Damar Junie Y003 who Mitch reports weaned the heaviest bull calves (by Redemption) of the entire Damar bull pen last year.

The fertility this cow family possesses is obvious by the number of prolific females in the Pandora section of the “Last Dance” catalog. Nothing in the cattle business equates to profitability like fertility in the cow herd and, when you add the heaviest weaning weights to this clan, you definitely have some of the most prolific of the herd. Invest in these Pandora’s with a zest and vigor for enhancing your Red Angus operation at home!

Ms Conquest (Abigrace) *Cow Family*

Spring Lots: 131 - 148 • Fall Lot: 960

Brown Ms Conquest Z7870

For Damar Farms, the Ms Conquest cow family starts with Brown Ms Conquest Z7870, an HXC Conquest 4405P direct daughter of the highest valued cow in the entire Red Angus world – Brown Ms Abigrace L7730! One of Ms Conquest’s most notable sons is Redeeming C618, the Chain Ranch bull sporting 10 EPD traits in the top 20% of the breed including top 1% GridMaster, 4% HerdBuilder, and then spread his BW from a -3.3 to a YW of 118 with a CED of 11! He recently sold to Dwight Harper, Brick House Farms of Tina, Missouri, and is being used extensively in both the Chain Ranch and Brick House Farms operations.

The Abigrace saga is one that started in the 2004 FWSS National Spotlight Auction where Abigrace sold as a bred heifer for \$15,000 to Steve Maier, C-Bar Ranch of Kansas. She went on to produce well in excess of a

million dollars in progeny sales throughout her career for the C-Bar / R. A. Brown Ranch and still continues to impact the breed with phenomenal stats and unparalleled fertility and production.

Be sure and check out the highlights in this family at auction time – B049 (Lot 139) with an outstanding Man Power bull calf at side, and C063 (Lot 133) with a RED Aviator bull calf at side!

Don’t miss Ms Conquest’s direct progeny with record-setting EPD stats and the backing of the Abigrace cow family behind them. If you’ve never owned an Abigrace-influenced Red Angus animal, Damar’s “Last Dance” Dispersal is the perfect place to invest in your future.

Minola Cow Family

Spring Lots: 149 – 160 • Fall Lots: 964 – 965

Iowa State Fair Premier Exhibitor and Breeder, Champion Heifer, Produce of Dam, Senior of Sire and Junior Get of Sire

The Minola family originated from the famed SSS Red Angus operation of Canada and the Red SSS Minola 2U cow that combines calving ease and maternal traits from her sire Norseman King and maternal grandsire Ole's Oscar.

If you like dependable, proven bloodlines without a lot of hype, the Minola family is one to consider. Particularly interesting in this cow family is the offering of eight direct daughters of Minola 2U, sired by six different bulls including: Power Eye, Conquest, Evolution, Conquest B520, Mulberry and three by Performance!

The importance of the cow family cannot be minimized in any breeding program and the diversity of the Minola

cow family offers you the opportunity to buy half sisters with the backing of one of the most successfully proven producers in the Damar program.

Large ranches like to buy herd bulls with similar bloodlines to increase consistency in their calf crops. The Damar cow families offer Red Angus seedstock operations the ability to put similar genetics into their program but with the genetic diversity of the sire side of the pedigree. This is especially interesting if you believe in the maternal power of the mama cow backing the lineage. Of notable interest is a halfblood Simmental bull, sired by General Lee, and out of the Minola 2U cow, that sold for \$18,500 in the Lorenzen Bull Sale in Oregon.

Annie Cow Family

Spring Lots: Spring Lots 161 – 167

Damar Annie 161X C115

The Annie cow family comes from the former Soo Line operation of Canada and the Red Soo Line Annie 8509 cow. This family offers a lot of style with complete outcross genetics to most Red Angus programs in the United States.

A premier Annie female is Damar Annie 161X C115, the Grand Champion Red Angus Female at the 2016 North Carolina State Fair, and a class winner in the NAJRAE Futurity for Jacob Presnell of Shelby, North Carolina.

Power Eye, Real Deal and Mulberry direct daughters of Annie 8509 highlight this auction along with the donor matron herself selling as Lot 161.

If you are searching for top quality cattle with diversified, breed-enhancing genetics, check out the Annie females in this offering in Lots 161 – 167.

Princess *Cow Family*

Spring Lots: 168 - 171

While our next two cow families may not be the largest, don't kid yourself into thinking they are not instrumental in the entire composure of the Damar Program. The Princess family is another impacting female line that Doc Hehli brought in from Canada to enhance the Damar operation. Building this family off of the Red Riverdale Princess 120T cow, she has proven herself worthy of making a donor cow within this 1000-plus-head seedstock operation.

The Princess family offers yet another outcross

opportunity for most U.S. Red Angus programs and touts some of the breed's foundation and elite bloodlines in her pedigree. Some of the biggest names in Red Angus history are represented in BJR Topper Again (Bootjack Ranches) and PBC D0202 6M H0904 (Pioneer Beef Cattle).

The Red Angus breed isn't just popular because of current fads. It is in demand because of the foundation groundwork in preceding generations of not only cattle bloodlines, but the people that bred them.

Messmer Linda *Cow Family*

Spring Lots: 172 - 175

Grand Champion Female, 2014 Minnesota State Fair

The Messmer Linda cow family is a small band that excel in EPD traits combining top growth with high carcass qualities. Doc made some very instrumental and good purchases at the Messmer Dispersal where

he acquired the Linda, Millie and Pandora cow families. Talk to Mitch about the Linda line – they are some of his favorite cows in this large assemblage of the Damar Farms Complete Dispersal.

Dexan Cow Family

Spring Lots: Spring Lots 176 - 187

Damar Maponos 26P B552

The Dexan cow family starts with DFRA Dexan T701, a Rose Moon N313 daughter (by Bieber Red Moon) and a BJR Monu 4X-573 cow on the dam's side of her pedigree.

The Dexan family are renowned for their moderation in birth weights and high maternal and milk production. The most noteworthy animal from the Dexan family is Damar Maponos 26P B552 the Mulberry 26P herd bull selling in this Dispersal Auction as Lot 612. Maponos B552 was the 2014 Iowa State Fair Reserve Grand

Champion Bull and the 2014 Minnesota Grand Champion Red Angus Bull.

The Dexan cow family make excellent females and consistently complement whatever sire line you mate them to. If your target end product is light to moderate birth weight, calving-ease bulls to offer the heifer sector of the beef industry, the Dexan cow family would be an excellent choice from the Damar Dispersal.

Eleanor *Cow Family*

Spring Lots: 188 – 199 • Fall Lots: 961 – 963

Damar Eleanor Z208 for Beth Orr, Ty Bee Farms, of Tennessee

The Eleanor cow family is based off of Damar Eleanor's Echo Z271, a Messmer Jericho W041 daughter from a Beckton Lancer F442 T dam and tracing to the legendary Leachman Eleanor (dam of the immortal LMAN King Rob 8621 and LMAN None Better 9604).

This is a cow family that legends are built on. If you were in the Red Angus business in the '90s, you would have experienced the blueprint of today's Red Revolution and the era of some of the greatest cow families in the making.

Eleanor in her day would equate to the status of today's Abigrace and is instrumental in building a foundation on which Red Angus have become highly sought. Invest with gusto on the 13 lots represented by one of the true matriarch of the breed – the Eleanor cow family!

Take a look at Damar Eleanor Z208, an Eleanor show female that had a very successful campaign for Beth Orr, Ty Bee Farms, of Tennessee in 2013 and 2014.

Forever Lady *Cow Family*

Spring Lots: 200 - 220

SAV Pioneer 7301

SAV Bismarck 5682

The Forever Lady cow family stems from the Black Angus breed and an AAA cow known as PVF Forever Lady N 3404, a Bon View New Design 878 daughter. I must admit that I am pretty much tunnel visioned when it comes to Angus cattle and eat, breathe and live RED when it comes to Angus females ... but I would love to own Damar Ms Forever Lady Y211 and would put her in a donor program!

If you want to see a twinkle in Mitch's eye, ask him about Y211 and the Forever Lady cow family. Five maternal sisters highlight this cow family with outcross sires SAV Pioneer 7301, Limestone Darkhorse U322,

SAV Bismarck 5682 and Damar Happy Hour W907 represented.

Damar Forever Sure A106 is a phenomenal Y211 x Connealy In Sure 8524 daughter that highlights this amazing outcross cow family. Don't miss the ET calves due in January and February with Harvestor mated to both Y211 and A106 to spotlight the phenomenal Forever Lady cow family.

Be sure and look these amazing cows up at the Mondovi Farm prior to the auction. They are super designed!

Tidy Bee *Cow Family*

Spring Lots: 221 – 226

Show string at the Iowa State Fair

The Tidy Bee cow family may be most noted for the making of past Bootjack legend – BJR JR 107, one of the most influential bulls of the mid and late '90s, owned and used extensively by the Lonker program of Kansas and the Bieber program of South Dakota.

When Doc Hehli made his initial purchase of Red Angus cattle in 1998, he couldn't have chosen a stronger foundation to invest in than the Bootjack program of Montana. I was one of the auctioneers for the Bootjack Dispersal in 1998 when Doc bought four potloads of cows that day. We all wondered who he was and the only answer I heard was he was some doctor from Wisconsin. I did not hear another thing about these cows or Dr. David Hehli for about five years when I started to hear rumblings of a Red Angus operation in Wisconsin called Damar Farms and they had a bunch of Bootjack genetics. When I finally met and became acquainted with Doc, he told me that he didn't realize the power of the genetics he had purchased at the time, and it was later, that he decided to take this foundation of Boot-

jack genetics and charge onward with a registered Red Angus program. In the last decade, Damar Farms has become revered for some of the finest Red Angus cattle in the world most recently exhibited by the National Grand Champion Red Angus Bull in Louisville, Kentucky, (Nov. 2016) and the NWSS Grand Champion Red Angus Bull in Denver (Jan. 2017) – DAMAR TRUMP C512 – a direct product of Damar Farms.

The cattle and genetics coming out the Dama Farms "Last Dance" Dispersal will go on to make a major impact in the future of the Red Angus breed. My thanks and gratitude go out to Dr. David (Doc) Hehli for investing his resources, time and energy over the past decades to the greatest breed of cattle on earth – Red Angus.

The Tidy Bee's are the last cow family highlighted in this offering – now we go on to the amazing Damar herd and Lots 227 – 1024.

Red Angus Guide to EPDs

HB HerdBuilder Index – Need bulls for developing a profitable cowherd and maximizing the value of marketed progeny? Select a bull with a high HB value.

GM GridMaster Index – If you market all of your calf crop and want to increase the value of that calf crop, select a bull with a high GM value to maximize your profit.

CED Calving Ease Direct – Breeding Heifers? Select bulls with a high CED to increase the probability that the heifers will calve unassisted.

BW Birth Weight – Predicts differences in birth weight. BW is included in the CED EPD, so simplify your decisions by selecting bulls based on CED instead of BW.

WW Weaning Weight and **YW** Yearling Weight – Predicts differences in weight at weaning and yearling. While selection based on these growth measures can increase your payweight, be cautious what the bull's other EPDs are.

Milk Milk – Predicts differences in weaning weight of daughter's progeny due to milk production.

ME Maintenance Energy – Selecting bulls with a lower ME EPD will decrease the amount of feed his daughters will require to maintain body weight.

HPG Heifer Pregnancy – Retaining heifers? Select bulls with a high HPG to increase the percentage of exposures that result in a calving observation.

CEM Calving Ease Maternal – Another number to pay attention to if you are retaining heifers. Selecting bulls with a high CEM will increase the probability of those daughters calving unassisted.

STAY Stayability – The most important trait if your goal is developing cows that stay productive, thus increasing your profitability. Bulls with a high Stay EPD are expected to sire daughters that remain productive in the herd until at least 6 years of age.

MARB .. Marbling Score – Select bulls with high MARB EPD to increase the number of progeny that grade Choice or Prime.

YG Yield Grade – Marketing calves on a grid? Placing selection pressure on YG EPD will decrease the number of YG discounts on grid-marketed progeny.

CW Carcass Weight – Selecting bulls with a high CW EPD will increase the weight of the hanging carcass, which directly impacts revenue.

REA Rib Eye Area – Need to add muscle? Select bulls with a high REA EPD to increase rib eye area, which favorably increases Yield Grade.

FAT Backfat – Need to reduce waste in carcasses? Select bulls with a low FAT EPD to reduce backfat, which favorably increases Yield Grade.

For more information on EPDs, visit redangus.org.

Ranch Tested. Rancher Trusted.

In every operation, you know the animals that the owner and herdsman are most passionate about just by talking and listening to them. For the future of Damar Farms, that animal was to be RRA Aviator 502. Doc Hehli always invested in the best animals he could find and spent countless dollars in replicating the top cows through embryo transfer. Aviator 502 is the animal in this entire offering that Doc was banking on making a difference and taking the Damar program to a new level. Sired by the outcross Musgrave Aviator and coming from the Rich Red Angus Rachel cow family, RRA Aviator 502 is proving to be everything Doc and Mitch dreamed of. Mitch reports the calves are very moderate and "quick birth" critters that jump up and thrive. In the real world of cattle production, live birth is certainly one of the most important traits for profitability. The outcross factor coming from his black sire offer the industry a new angle in genetics and the fact that his calves are coming small and moderate with amazing growth make Aviator 502 a bull the entire industry should take note of. If Doc hadn't made the decision to disperse this tremendous herd of cattle, this bull would never have left this program in his lifetime. Take advantage of the "Last Dance" to put your own cattle program in a direction of excellence with the acquisition of animals and genetics like RRA Aviator 502!

OPEN

This concludes Saturday's section of the auction.

**Please join us at 6 p.m. for dinner
 at the sale headquarters,
 followed by a "Last Dance" party
 with live music from
 Mickey Lynnes and the Thundermen band.**

**Socialize and celebrate with some of the
 greatest cattle producers in the business.**

RSVPs for dinner appreciated.

Call/text: 715-271-2151 or email margie@damarfarms.com.

 sale animals online at:

DVAuction.com

TERMS:

Terms of the sale are cash, check, or other terms agreed to in writing between seller, buyer, and sale manager payable immediately upon conclusion of the sale before animals will be moved. Sale Manager reserves the right to require a certified check as settlement before releasing any cattle.

PURCHASER'S RISK:

All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

BIDDING:

Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

CERTIFICATE OF REGISTRY:

A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

ANNOUNCEMENTS:

Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

HEALTH:

All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for international shipment should be made with the sale manager prior to the auction. All efforts for the exportation of cattle can be arranged through the sale manager.

GUARANTEE:

Because this is a complete dispersal auction, the cattle sell as is/where is with no further guarantee.

LIABILITIES:

All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility, or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the Sale Manager from pedigrees and information supplied by sources deemed reliable, however, the Sale Manager will in no way guarantee the pedigree, percentages of the animals selling, or data included in this catalog. Any exceptions taken are between the buyer and the seller.

CONTRACT:

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

PHONE BIDS:

Telephone bids will be taken by the sale manager. Kyle Gilchrist's cell number is (641) 919-1077.

Thank you!

... for sharing in our dance in the cattle business over the years. We appreciate your past patronage and confidence in our program. Most of all, we are thankful for the wonderful friendships we have made on this journey. It truly has been a dance to remember!
