Cattlemen's Congress Red Revolution Sale Contract
(This contract is required under USDA Packers & Stockers Act)

The Red Revolution Red Angus Auction will be held Monday, January 1, 2024 at the Embassy Suites, 1815 S Meridian Avenue, Oklahoma City, Oklahoma with all live animals and genetic lots selling by videotaped footage on DVAuction.

All live animals in OKC must be eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be supplied to the buyer on each animal sold and will include the pregnancy status on females selling as bred. Exchange of live animals is to be arranged between buyer and seller. Gilchrist Auction Co. is not responsible for the delivery of or exchange of live animals.

All animals or embryo/genetic lots that are catalogued and do not sell will be assessed a sale expense of \$250 per lot. I agree to pay Gilchrist Auction Co. this sale expense if my lots do not sell in this auction.

All animals and genetic lots will sell with a guarantee by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices. It is to be clearly understood that all warranties, guarantees and refunds on any animal or genetic lot not meeting the standards of the RAAA Rules & Regs shall be made by the seller to the buyer upon proof of not meeting their representations in this auction.

All purchases must be paid at the conclusion of the auction and will require absentee or represented buyers to wire funds to Gilchrist Auction Co. by the 4th day following the auction.

Payment (settlements) for this auction will be made as timely as possible. As a seller, I agree that my settlement may be received up to 60 days after the auction. I also authorize the sale manager to hold my payment if cattle cannot be successfully transferred to the buyer for any reason or if in the case of embryos or semen proper DNA verification has not been filed with RAAA to register resulting calves.

The commission rate will be established by dividing the total sale expense by the sale gross of the auction and then multiplying this rate on the sale price of each lot. Gilchrist Auction Co. will charge 5% for providing the auctioneer and sale management with all other expenses being charged at cost and computed in the final settlements. The goal of Gilchrist Auction Co. is for commission rate to be at 15% or less.

Absentee Bids -- The Seller hereby gives permission to the Auctioneer/Sale Manager to accept bids, at the Auctioneer/Sale Managers discretion. The Seller understands and agrees that if absentee bids are accepted that the Auctioneer/Sale Manager and their staff will place these bids on the Absentee Bidder's behalf in a competitive nature and that the Auctioneer/Sale Manager and their staff in doing so will be acting as a Dual Agent for the Seller and the Absentee Bidder.

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal or genetic lot and shall be equally binding upon both. Each sale or resale of an animal or genetic lot constitutes a separate transaction.

The Sale Manager acts as agent between buyer & seller only.
