Dear Red Angus Producer:

We are excited to begin work on the 2024 Mississippi Red Angus Fall Classic Bull and Female Auction scheduled for Saturday, October 26th at the Hinds Community College in Raymond, Mississippi. We are contacting you, hoping that you will want to be a part of this Red Angus event. Enclosed is an official entry form necessary to consign to this auction. Please read it carefully and fill in and sign both the front and backside if you are interested in bringing cattle to this Red Angus function.

All cattle do not need to be halter broke, but it certainly will add value and convenience at sale time in being able to clean them up and fit them for sale day. Open heifers are highly encouraged to be halter broke and ready for Junior members to put them into their show strings.

This is the 3<sup>rd</sup> Annual MS event – please note new earlier date to avoid deer hunting season. We sincerely hope that as a Red Angus breeder, you would be interested in joining us as a consignor to the 2024 Mississippi Fall Classic. Once we receive your entry form, we will continue to send information regarding this auction. The sale committee contact numbers are at the bottom of this letter – feel free to call any one of them or myself for more information or answer any questions you may have.

Cattle will need to arrive and be in the barn no later than 12:00 noon Friday, October 25th and can arrive Thursday, October 24th for folks traveling a great distance. The Mississippi Red Angus Association will be having a pre-sale gathering on Friday evening with more details including motel headquarters to come.

Again, we invite you to join us October 25<sup>th</sup> and 26th in Raymond, Mississippi for the 3<sup>rd</sup> annual MS Red Angus Fall Classic and want to emphasize the **August 15th deadline** for your entries to be in our office.

Whether you are a buyer, seller or simply an onlooker, we value your attendance and participation.

Best Regards,

Kyle Gilchrist
